Vendor's Compensation Formula

The Vendor's Compensation rate on sales that are **not** from Motor Fuel is three percent (.03) of the first \$3,000 (\$90.00) of state and local taxes plus one half of one percent (.005) on the taxes over \$3,000. The Vendor's Compensation rate for **Motor Fuel** sales is three percent (.03) of all taxes with no limitation.

Example:

State and Local Taxes of \$4,500 would equal \$97.50

State and Local Taxes of \$12,000 would equal \$322.50

Non-Motor Fuel Dealer

Sales Tax	$\$3,000.00 \times .03$	$=$	$\$90.00$
Sales Tax	$\$1,500.00 \times .005$	$=$	$\$7.50$
Total	$\$4,500.00$	$=$	$\$97.50$

Motor Fuel Dealer

Local Taxes on Motor Fuel	$\$7,500.00 \times .03$	$=$	$\$225.00$
Sales Tax	$\$3,000.00 \times .03$	$=$	$\$90.00$
Sales Tax	$\$1,500.00 \times .005$	$=$	$\$7.50$
Total	$\$12,000.00$	$=$	$\$322.50$

Use the following worksheet to calculate the Vendor's Compensation only if you do not file a consolidated (Master) report and you have Motor Fuel sales. **Failure to submit the Vendor's Compensation Worksheet for these dealers may result in the loss of Vendor's Compensation.**

Vendor's Compensation Worksheet

Local Taxes on Motor Fuel Sales	\$	X .03 =	\$
Sales Tax Amount (First \$3,000 of collected tax on non Motor Fuel Sales)	\$	X .03 =	\$
Sales Tax Amount (Amount over first \$3,000 of collected tax)	\$	X .005 =	\$
Total*	\$		\$

***Total Taxes for Vendor's Compensation calculation can not exceed the total on line #13 of the ST3.**

Penalty for Delinquent Returns

Returns are considered timely if postmarked by the twentieth of the month following the close of the reporting period. Penalty is due on all returns filed after this date. Penalty is calculated individually for each tax type. The formula for calculating penalty is as follows:

The penalty of five percent (.05) of the tax due or five dollars (\$5.00), *whichever is greater*, for each tax type on any delinquent return. This is calculated for each month, or fraction of a month, when the return is delinquent. The penalty will not exceed twenty-five percent (.25) or twenty-five dollars (\$25.00), *whichever is greater*.

Master Inserts

Any dealer with four or more locations is required to report on a consolidated Sales and Use Tax Form (ST-3). Consolidated reporting requires each individual location to be reported on a master insert declaring total gross Motor Fuel and non-Motor Fuel Sales and Use, Exemptions and Deductions from State Tax, total tax due by tax type, and the calculation of Vendor's Compensation for each location.

Failure to submit the master insert may result in the loss of Vendor's Compensation.

Other Local Taxes

Other local taxes are Towns County Second Local Tax and the City of Atlanta Municipal Tax (which is applicable to locations in DeKalb and Fulton counties).
